3 Take the
OCEAN FRIEND CHALLENGE
See the back for details.

2 Use the questions on the
inside map as you navigate
the *Sant Ocean Hall*.

1 Pick a place in the exhibition
that interests you.

LET'S GET STARTED!

OCEAN FRIEND CHALLENGE

- 1** *Continue learning* about the ocean after your visit at www.ocean.si.edu.
- 2** *Look for connections* between your life and the ocean. You don't need to live near the ocean to do this!
- 3** *Find out* how your actions are affecting the ocean's health.
- 4** *Share* what you learned at the *Sant Ocean Hall* with others. Encourage them to visit the National Museum of Natural History or www.ocean.si.edu to experience the Hall for themselves.

- 5** *Register and print* your **Ocean Friend certificate** at www.ocean.si.edu/oceanfriend.

AN **OCEAN FRIEND** IS...

Interested in the ocean.

Eager to learn about its importance.

Aware of threats to its health.

Willing to make lifestyle changes to protect it.

Observations that lead to *questions* are often the starting point for scientists!

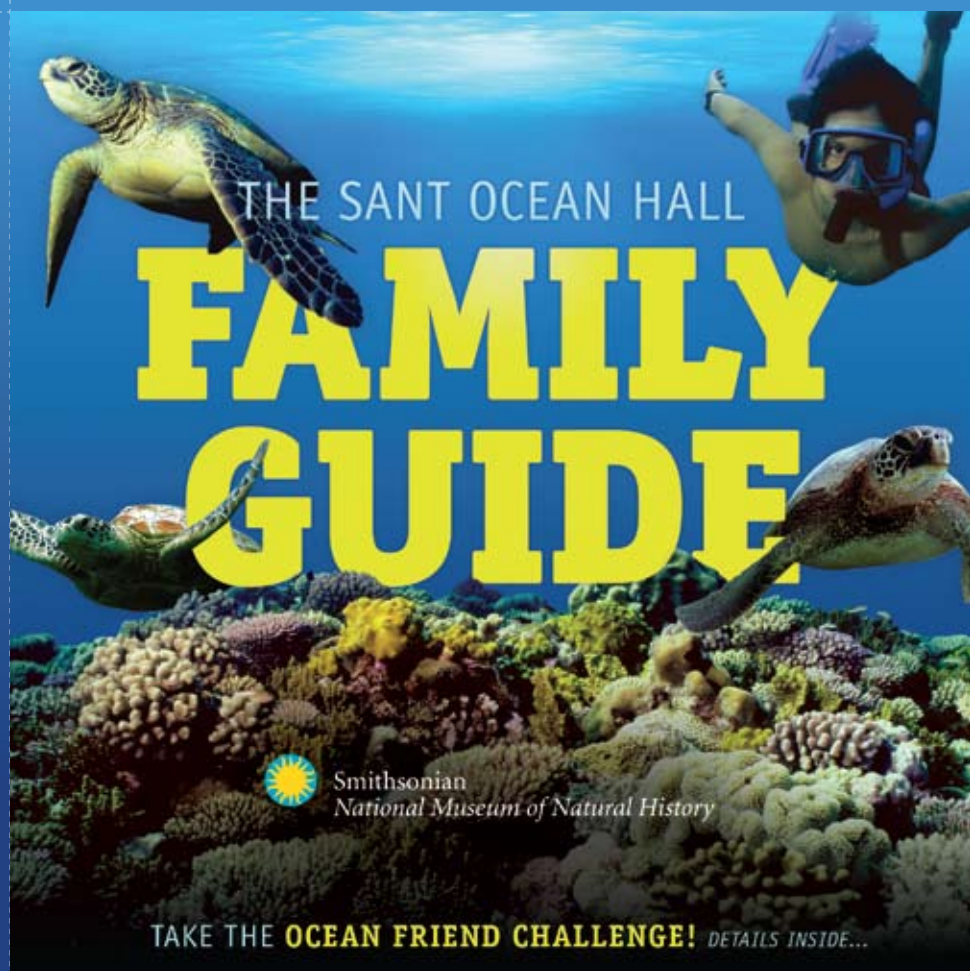

Ask questions.

Make observations.

Explore the Hall.

There's a lot to experience,
so take your time.

WELCOME TO THE
SANT OCEAN HALL
