

Video Transcript: Unearthing the Evidence: Burial Excavations

Speaker 1: 00:23 We were safe to take this down to this level, but once we get to that level, we have to finish this profile.

Speaker 2: 01:03 And then he gives her a ring, and she's about to have a ...

Speaker 3: 01:10 This area down here, we actually have a little bit of wood that's probably from the top of the coffin when it collapsed.

Speaker 4: 01:17 This is probably okay.

Speaker 5: 01:47 We photograph all the burials so that we can get a record that's permanent of what we see in the ground.

Speaker 4: 02:00 Those are [inaudible 00:02:01].

Speaker 6: 02:00 Their heads are to the northwest. They look very nicely lined up.

Speaker 7: 02:12 We definitely have a nice spinal column to look at, and it seems to be pushed a little bit to the side.

Speaker 8: 02:21 Just put this back down.

Speaker 8: 02:21 Okay. Now I've got this.
